

Kaibab Band of Paiute Indians

August 28, 2013

Dear Mr. Gary Tom,

The Kaibab Band of Paiute Indians would like express our full support in the preservation of Pah Tempe. Pah Tempe has always been a sacred place for the Paiute people who have been going to the area since time in memorial for healing and prayers.

We as an Indian Nation ask for respect as we have learned to respect the ways and cultures of others. We support the preservation on behalf of our ancestors who have imprinted their memories and prayers into the canyon walls and healing waters along with our future children who will continue to carry on our prayers and ask for healing at this sacred land.

The Kaibab Band of Paiute Indians supports the efforts and rights of Pah Tempe to the landowners of this sacred site.

Sincerely,

A handwritten signature in black ink, appearing to read 'Manuel Savala'.
